*Damaged	Ventura	Private K-12	Ojai Valley School (projected reopen 1/7/18)	723 El Paseo Rd. Ojai, Ca 93023	284 K-12 students
**Damaged	San Diego	District Office	Bonsall Unified District-office buildings	31505 Old River Rd. Bonsall, CA 92003	Staff Displaced

*Science and Technology building, outfitted with labs, lecture halls and classrooms; and a two-story dormitory building for girls that also housed several faculty members and their families. Other buildings sustained some fire damage, as well.

****Bonsall Unified** was located at the starting point of the Lilac Fire, and is declared a disaster area. Their refrigerators & freezers have been without power for a number of days and lost all commodities they had on hand. The offices are uninhabitable. Per Debby Perrault, Child Nutrition Director at Bonsall Unified School District.

Actions Taken on 12/12/17:

- In contact with Ventura County Superintendent to help provide technical assistance, coordinate school closure waivers on a county basis instead of district
- Coordinating a second SERV (federal, ED) grant to help supplement the costs incurred by school closures
- Connected Sonoma County Sup and Ventura County Sups to share lessons learned from October
- CDE's Nutrition Services offered food commodity assistance to the Boys & Girls Club of Santa Barbara. The club has been providing care for the children affected by school closures. The club is offering free meals in a congregate setting at breakfast, lunch, and snack. The club stated that they currently have enough food supplies donated by the community for two weeks.

Since the club is participating in the At-Risk afterschool component of the Child and Adult Care Food Program, the B&G club of Santa Barbara is allowed to claim reimbursement for up to one meal and one snack, per day, served to children attending these meals.
